

U.S. KART TRACKS AND CLUBS

Dear Readers, We have spent the greater part of the two years trying to locate ALL the kart racing tracks and clubs in the USA. We have scanned the Internet, Googled what we can, researched dozens of various track lists to what you see below. We feel this is now the most comprehensive list of kart tracks and clubs available today. In the coming months and years, we will expand the list to include tracks and clubs from around the world.

Please -- If you see inaccurate or missing information such as websites or e-mail addresses, know of a track not listed, or see a track that is no longer running, PLEASE contact us at this e-mail address - karting@msn.com - and give us the corrected data.

Thank you.
